

Join the Creative Carers Community

As a Creative Carers member you receive:

✓	Access to a Network of Carers: We interview and run background checks on each Creative Carer. All Carers have a Working With Children Check, a Police Check, a First Aid Certificate and at least 3 years of childcare experience. We carefully choose our team based on experience, qualification and ability to facilitate creative activities for a fun, supported, learning experience. We value kindness, honesty, confidence and reliability.
✓	Matched Carer To Suit Your Needs: After determining what your care preferences and needs are, we efficiently find you a carer that best suits your family and schedule.
✓	Meet and Greet: We organise 2x complimentary meets with Carers of your choice (subject to availability). This can be in person or on video call. You can choose one, or both of the Carers to have onboard with your family!
✓	Carer Scheduling Support: We are available to schedule your carer or a replacement carer for ongoing and / or sporadic support. Our average response time is 2 hours.
✓	Continued Customised Service: We continue to check in with you to evolve our service to your families changing needs.
✓	Training and Development: Our ongoing training with Carers focuses on building their repertoire of stimulating and creative activities as well as skills in communication and first aid.
✓	Insurance: We provide liability insurance coverage for Carers while they are looking after your family.

There are two parts to our service:

Hourly rate paid
directly to your **Carer.**
(from \$33-\$45 per hour)

+
